## About Apex Learning

Nearly two decades ago [Apex Learning](#) emerged as a leader in digital learning for secondary education, developing online Advanced Placement courses to provide students who would otherwise not have access the opportunity to take rigorous, college-level courses. Recognizing the challenges schools face in meeting the needs of every student — from those struggling to stay on track for graduation to those capable of accelerating their learning — the company continues to develop innovative, digital learning solutions to support teachers and provide every student with the opportunity to excel beyond his or her expectations.

Today Apex Learning offers a comprehensive catalog of rigorous, standards-based online courses that meet high school graduation requirements. Apex Learning Comprehensive Courses are used by schools nationwide for both initial credit and credit recovery to get students back on track for on-time graduation. The company's latest digital learning solution —Tutorials — ensure all students are prepared for high-stakes exams, provide remediation and enhance initial instruction.

Apex Learning, headquartered in Seattle, is accredited by AdvancED and its courses are approved for National Collegiate Athletic Association eligibility. For more information, visit [www.apexlearning.com](http://www.apexlearning.com) or call 1.800.453.1454.
