

## **Apex Learning Awarded Exclusive Contract to Provide High School English for the Texas SUCCESS Program**

*Digital curriculum specifically designed for Texas supports student achievement state-wide*

**SEATTLE, WA — May 10, 2016** — [Apex Learning](#), the leading provider of blended and virtual learning solutions to the nation’s schools, is pleased to announce it was chosen to be the exclusive provider of high school English for the Texas SUCCESS program. The Texas Education Agency (TEA) made the selection following a competitive review process during which digital curriculum providers were evaluated based on a rigorous set of requirements.

Apex Learning Texas Tutorials for English I and English II are now available to districts and open enrollment charter schools across the state to support every student in meeting the expectations set by the Texas Essential Knowledge and Skills (TEKS) and raise achievement on the State of Texas Assessments of Academic Readiness (STAAR).

“We are honored to have been selected to participate in the Texas SUCCESS program,” said Cheryl Vedoe, CEO, Apex Learning. “The quality of instruction and alignment to Texas standards of our digital curriculum were validated by the TEA’s rigorous review process.”

### **About Apex Learning**

Nearly two decades ago [Apex Learning](#) emerged as a leader in digital learning for secondary education, developing online Advanced Placement courses to provide students who would otherwise not have access the opportunity to take rigorous, college-level courses. Recognizing the challenges schools face in meeting the needs of every student — from those struggling to stay on track for graduation to those capable of accelerating their learning — the company continues to develop innovative, digital learning solutions to support teachers and provide every student with the opportunity to excel beyond his or her expectations.

Today Apex Learning offers a comprehensive catalog of rigorous, standards-based online courses that meet high school graduation requirements. Apex Learning Comprehensive Courses are used by schools nationwide for both initial credit and credit recovery to get students back on track for on-time graduation. The company's latest digital learning solution —Tutorials — ensure all students are prepared for high-stakes exams, provide remediation and enhance initial instruction.

Apex Learning, headquartered in Seattle, is accredited by AdvancED and its courses are approved for National Collegiate Athletic Association eligibility. For more information, visit [www.apexlearning.com](http://www.apexlearning.com) or call 1.800.453.1454.
